

COMMITTEE CUTS \$40,000 OFF OF APPROPRIATION

Then Gives Approval to Budget for Attorney General

(By The Associated Press)
SPRINGFIELD, Ill., April 10.—Approval of the appropriation of \$400,000 for the attorney general for the biennium was voted today by the senate committee on appropriations but with \$40,000 sliced off one item it passed the house. In the original Muller house bill the total appropriation was \$1,037,240.

At the request of Mr. Brundage, who explained to the committee each item in the bill, the item for dissolution of defunct corporations was cut from \$70,000 to \$30,000. The difference of \$40,000 the attorney general said in the past has been used for advertisements in connection with the dissolutions. It is planned to have the secretary of state pay this amount hereafter since the attorney general is acting to take corporations' names off the secretary's books.

One item of \$50,000 a year for litigation against the Illinois Central railroad, Mr. Brundage said, has been reduced from \$75,000 since he took office. The committee defeated an amendment for Senator Meents, Republican, Ashkum, to reduce from \$46,500 to \$16,000 the allowance for education for collection of inheritance taxes outside Cook county. Attorney General Brundage declared his inheritance tax attorneys were paid only \$100 a month and Senator Swift, Republican, Libertyville, said the attorney in his county was receiving no compensation for the work.

It was brought out that about of the \$50,000 of the \$75,000 appropriation to the attorney general for prosecution of the Herrin defendants has been returned to the state treasury. Senator Sneed, Republican, Herrin, inquired of Mr. Brundage about the unexpended money and the official replied that it now is in the treasurer's custody.

May Pacify Governor
Reduction of the Brundage appropriation to \$397,240, senators thought, would make the governor's signature more likely.

Senator Barr, Joliet, administration leader in the upper house, voted to report the bill favorably, as amended.

Passage in the house of the O'Neill women's eight hour bill is deemed probable this week following its success today in being sent to third reading without change. Amendment after amendment was proposed by Representative Brown, Democrat, Ottawa, and after he finished other opponents attempted to attach qualifying clauses. The Ebb tide of the opposition was seen when one vote showed only fourteen representatives in favor of amending.

The bill, however, is not expected to pay by a large majority as it received on several amendments today for some members agreed with Mrs. O'Neill that a showdown should come on third reading, and that the bill should be disposed of on its merits in its original form.

FINAL COLLAPSE OF IRREGULARS NEAR?

(By The Associated Press)

DUBLIN, April 10.—The capture of Liam Lynch is regarded as heralding the final collapse of the irregular army. Lynch is the chief of staff of the irregular army and a dominant figure in its army councils. He has a powerful influence over Eamon De Valera with whom he worked in concert. Both men signed all important decisions and virtually constituted the Republican Directorate.

When gaps were caused by the capture of his men, Lynch always was able promptly to fill their places. His assistant was Liam Deasy, who after he was arrested some time ago and death sentence imposed upon him, issued an appeal for peace. Deasy's place was filled by Con Moloney, who was recently captured. Lynch then found another man of his own temper to take Moloney's place, and both Lynch and this man voted at the recent army meeting against the peace proposals of the Most Rev. John Hurley, Archbishop of Cashel.

FORMER CASHIER GIVEN 21 YEARS

Cincinnati, O., April 10.—A. H. Penfield, former co-cashier of the Springfield, Ohio, national bank, who pleaded guilty to seven of twelve counts in an indictment charging embezzlement of the bank's funds was sentenced to prison at Atlanta, by Federal Judge Smith Hickenlooper late today.

LABOR LEADER SEES END OF INDUSTRIAL COURT IN KANSAS

Supreme Court Decision Annuls Other Laws
He Says

(By The Associated Press)

CHICAGO, April 10.—That the United States supreme court decision holding unconstitutional the District of Columbia minimum wage law for women and children, means the end of the industrial court of Kansas, was the declaration of Matthew Woll, vice president of the American Federation of Labor today in a statement.

Similarly, he asserted, the injunction against the railroad shopmen who struck last July was doomed.

He declared "the law of the jungle is affirmed," and that women "must forget her ladylike manners, grit her teeth and in combination with her kind unsparingly determine to make her way thru the industrial and commercial world."

"Inasmuch as the supreme court has said to congress that it is without power to enact a law to fix the wages of women and children it goes without saying that the state legislatures are without power to do so. If our state legislatures cannot enact laws fixing minimum wages of women and children then, surely, a state legislature cannot delegate such an unconstitutional authority to an industrial court to fix both minimum and maximum wages of men, women and children."

"If this be true and there is no escaping this conclusion, it then follows as surely as day follows night, that all legislative attempts and legislative enactments having for their purpose the enforcement of compulsory arbitration of industrial disputes are likewise unconstitutional, because such laws involve the fixing of wages and are therefore an infringement and restriction upon the right of contract."

URGE TEACHING OF MUSIC APPRECIATION

(By The Associated Press)

CLEVELAND, O., April 10.—The teaching of music appreciation in the public schools of the United States rather than drill upon such technical details as scales and sight reading was urged by speakers at today's session of music supervisors' national conference.

Dr. David Snedden of Columbia University declared much of the energy being devoted to the teaching of technical details is lost motion and said that the great mass of the people use music only for recreation and that "cheap and inferior" music is probably as good for that purpose as the sort generally considered highbrow.

The only dissenting voice came from Walter Damrosch, conductor of the New York Symphony orchestra, who declared that schools should make a special effort to teach all children to read music at sight.

Other speakers included Karl W. Gehrkens, president of the conference and Professor Charles H. Farnsworth, also of Columbia university.

SHERIFF ROUTS BANK ROBBERS

(By The Associated Press)

REPUBLICAN, Kansas, April 10.—Three shots from the pistol of Sheriff C. A. Landreth put to rout a band of bank robbers who were attempting to blow open the door of the Republic State bank here early today.

Informed that robbers were at work in the bank, Sheriff Landreth approached and fired on three guards posted outside. He does not know whether any of the bullets found their mark. The men escaped in an automobile driving northeast towards the Nebraska line.

The interior of the bank was badly damaged by six blasts of nitroglycerine. The outer door of the safe was blown off but the inner door was left intact and approximately \$6,000 in money was not disturbed.

IDENTIFY MADISON AS MAIL BANDIT

St. Louis, Mo., April 10.—Roy R. Madison, ex-convict, under arrest here, was identified tonight by three men as one of the bandits who participated in the hold-up of a mail wagon at Springfield, Ill., April 1st, police announced. He denied knowledge of the robbery.

Fred Young, James H. Harney, driver of the mail wagon, and A. W. Taylor, special agent for the Chicago & Alton railroad made the identification. It was added.

CHRISTIAN CHURCHES PLAN TO RAISE MONEY

Springfield, Ill., April 10.—The task of raising \$175,000 in five one-day fairs for Europa College at Eureka, Ill., was given to the churches of the Disciples of Christ here today by the state all the churches of that denomination in Illinois.

TALK OF CANDIDACY IN 1924 PREMATURE PRESIDENT THINKS

Harding Says Pres- ent Not Time to Talk About It

(By The Associated Press)

WASHINGTON, April 10.—President Harding took occasion today to let it be known emphatically that he regards the present political discussions as to his candidacy in 1924 as most premature and furthermore that he will forego his contemplated western trip rather than make it as a political leader.

Mr. Harding it was said at the white house has insistently adhered to the proposition that the present is not the time to discuss a possible candidacy in 1924 and that the president has a work to perform and a duty to fulfill unhampered by political discussions and predictions.

But in another was asserted that Mr. Harding regarded it as unfortunate that a president could not for at least the first three years of his administration proceed without having to divert a portion of his time and energy to political matters.

White house officials in making plain and also more emphatic the attitude of the president clearly were endeavoring to throw cold water on the political discussions which since the adjournment of congress and during the absence of the president from the capital have been waxing warmer and warmer.

Upon the diminution of political talk depends whether the president will make the trip he is planning to the Pacific coast and Alaska during the summer. He was said to be making all plans for the trip, starting about June 20, and reaching Alaska about July 10, but he also was said to prefer remaining in Washington in connection with "Laddie Boy" to a trip which would put him before the people as a candidate for re-election.

RUFF'S BREWERY OF QUINCY CLOSED BY FEDERAL COURT

Judge FitzHenry Also Assesses Fine of \$5,100 and Costs

(By The Associated Press)

SPRINGFIELD, Ill., April 10.—Ruff's Brewing company of Quincy, was fined \$5,100 and costs and ordered closed for one year by Judge Louis FitzHenry in the federal court here today following a plea of guilty by William J. Ruff, head of the company to a charge of violating the Volstead act.

The brewery officials pleaded for leniency, declaring both the company and its officers were bankrupt, but the plea fell on deaf ears.

"The indictment is against the company and not individuals," said Judge FitzHenry, "and a full sentence cannot be imposed. The officials of the company admitted that they have utterly disregarded the laws of the United States. If they are to go unpunished we might as well dismiss every bootlegging case in court's docket."

The Ruff brewery was closed in February by order of the federal court. Judge FitzHenry stated that an application by owners for a decree closing the place might be modified if some legitimate business was contemplated.

SEVEN YEARS OLD GIRL POINTS OUT SLAYER

(By The Associated Press)

CHICAGO, April 10.—Weeping bitterly, seven year old Agnes Whitehead stood up in the witness stand in court today and pointed out the alleged slayer of her mother and younger sister. "That's the man," she cried. "He shot me and he killed my mamma and Dot."

"You know," don't you," the judge asked, "that you must tell the truth and what happens to the girls who don't tell the truth?"

"Yes," nodded the child. "If I don't tell the truth I'll go to the bad place. But I have told it." In the defendant's chair Casper Pastonix, the man accused of the slayings, slumped into his chair and covered his face with his hands. The defense has entered an insanity plea.

CLOSE FRIEND OF FRANCES WILLARD DEAD

Streator, Ill., April 10.—Mrs. Levenia Plumb, one of the few women who have held positions as presidents of banks in the United States, died today. Mrs. Plumb was 82 years old and was a close friend of the late Frances Willard and one of the founders of the Willard Memorial Hospital in Chicago. At one time she was president of the Union National Bank of Streator.

Condensed Telegraph News (By The Associated Press)

Lynn, Mass., April 10.—The General Electric company today announced that it had instructed its local plant to consider a readjustment of wages on a higher basis scale. The amount of the proposed increase was not made known. About 10,000 persons are employed at the shops in this city.

Peoria, Ill., April 10.—Three Peorians are under arrest at Levisstown, suspected of having kidnapped a resident of St. David and robbing him of \$18 and his gold watch after failing to blow the safe in the State bank here.

Washington, April 10.—Petitions asking for reconsideration of the recent ruling requiring railroads to sell interchangeable mileage books at reduced rates denied today by the interstate commerce commission.

Washington, April 10.—Seven persons were being held by the police today for investigation following a round up of alleged radicals in two raids here last night in which department of justice agents participated. A quantity of radical literature seized was being examined by the government agents.

Chicago, April 10.—Ross B. Guthrie, Chicago attorney, was convicted and sentenced to ten years in the state prison at Joliet, Ill., on a statutory charge by a jury that deliberated less than thirty minutes last night. A 15-year old girl, was the complaining witness. Guthrie's defense was an alibi. When the verdict was read, Guthrie collapsed.

Salem, Ore., April 10.—Six months in the county jail is the punishment meted out to Miss Ella Wolfe, 18, of Salem, who was driver of an automobile that ran down and fatally injured a woman. Miss Wolfe applied for a parole, but the court refused to consider it. The original charge against Miss Wolfe was manslaughter, but the grand jury reduced it to reckless driving.

Quality of Waters Will Be Determined

(By The Associated Press)

HOT SPRINGS, Ark., April 10.—Dr. Hubert Work, secretary of the interior, declared late today before leaving for St. Louis and Washington, after concluding his inspection of the Hot Springs National Park that he would call a conference with the surgeon general of the United States to discuss proper methods of determining the quality of the waters of the hot springs reservation, and intimating that he would seek a government investigation to determine the curative effects of the waters.

On his departure Secretary Work was accompanied by Mrs. Work and J. H. Hagerman, former governor of New Mexico, with whom he will conclude in Washington the conference begun here on oil developments in the Nevada reservation. The secretary himself a physician showed great interest in the resort waters here and said that the testimony from those who have come here for treatment appeared to be overwhelmingly in favor of the efficacy of these waters.

Springs Contribute to Cure of Disease

"Experiences covering many years have demonstrated that there are definite qualities in natural Hot Springs which contribute to the cure of disease," he said.

Until within a few years ago determination of these medicinal qualities had not been attempted. The time has now come when scientific assistance should be lent thru medical analysis and physiological tests in health to aid for practical purposes for the use of the medical profession the curative qualities of these waters.

Of course these hot springs are government property and under control of the department of the interior. If these waters have health giving power that fact should in itself be determined and with it the extent to which they may be applied, both in the prevention of illness and the cure of disease.

It is the purpose of the department of interior to discover the exact medical qualities of these waters and to what diseases they may properly be applied and in what manner. No revolution in system or methods of practice already being used is contemplated at all. The results of these scientific investigations made by the surgeon general will be published when concluded for the guidance of practitioners at Hot Springs.

"Natural waters have been acknowledged in every country to be beneficial to some extent and in some diseases, but no one of them can be regarded as 'cure-alls' for all diseases. There should be developed here at Hot Springs an institution on the order of a dietary kitchen where scientific food analysis can be made and adapted to persons visiting this resort whether sick or well."

STUYVESTANT FISH NOTED FINANCIER DIED IN NEW YORK

Stricken as He Entered Bank to Attend Directors' Meeting

(By The Associated Press)

NEW YORK, April 10.—Stuyvestant Fish, veteran financier and railroad man, today dropped dead of heart disease as he entered the National Park bank to attend a director's meeting. He was chatting with Richard Deisfield, chairman of the board when he was stricken. He collapsed in the corridor. He was in his 72nd year.

Mr. Fish who centered his attention on banking after retiring as head of the Illinois Central railroad at being worsted in his fight with E. H. Harriman, was in fairly good health until a month ago. Then a severe cold weakened him but he continued to attend to business over the telephone. Today's sunshine encouraged him to leave his home earlier than usual to attend the directors' meeting. Doctors had warned members of his family that his heart was weak and they did their best to prevent him from overexerting himself.

Mr. Fish whose father, Hamilton Fish, served as secretary of state in President Grant's cabinet was for many years a forceful and picturesque figure in finance, while his wife, until her death a few years ago, ruled New York society as leader of the Four Hundred.

Rockford, Ill., April 10.—Rock river after touching a new high stage for the year, remained stationary for six hours this morning and it was believed that the flood crest had been reached. Pecatonica and Sugar rivers were continuing to recede today.

Rockford, Ill., April 10.—Camp Grant's last big auction sale will be held June 4, it was announced today, when one of his lieutenants, James Theodore Harahan went over to the Harriman side in the controversy over control of the Illinois Central and replaced him as president of the road.

There was a story moment at the directors' meeting in Chicago when Mr. Fish stepped out. Associates rushing in between Fish and Harahan, alone prevented a fist fight.

Altho Mr. Fish retired as head of the Illinois Central, he was understood to have retained a heavy stockholding in the road. He served as a director of the Missouri, Kansas & Texas railway but in later years he chiefly was interested in banks, serving on several boards.

In the last year Mr. Fish became interested in the fight against prohibition. He was one of the leading spirits in the association Against the Enforcement Amendment.

Fish was born in this city in June, 1851, just as his father was retiring from the governorship. He was educated at public schools and Columbia University. His first employment was in the New York offices of the Illinois Central. He was then a youth of 20.

FORMER CONVICTS WILL TESTIFY

(By The Associated Press)

MADISON, Fla., April 10.—Former convicts who claimed to have been flogged, and former guards in the camp where the floggings took place will testify here tomorrow before the Madison county grand jury investigation into the death of Martin Tabert, North Dakota youth who died while serving a prison sentence in this state last year.

D. D. Crimmon, state's attorney of North Dakota and Judge W. J. Kneeshaw of that state, who are here to assist in the prosecution conferred here tonight with Florida authorities in regard to the presentation of the case to the grand jury.

The state, it is understood will contend that Tabert was the victim of a whipping administered at the camp of the Putnam Lumber company at Clara, Florida and will ask for the indictment of Walter Higginbotham, convict camp boss, who is held on a charge of murder in connection with the case. Higginbotham was brought here today from Dixie county where the alleged whipping is said to have been administered.

OPERATORS TO PROTEST TAX

St. Louis, Mo., April 10.—The Coal Operators' association of the fifth and ninth districts of Illinois voted at a meeting here today to protest against the passage of a bill pending in the Illinois legislature which provides for a tax of eight cents of coal as it is mined.

Dr. C. H. Krause, president of the association said the bill if enacted would add to the cost of coal and handicap the mining industry in Illinois in competition with other fields.

ADDRESSES FEATURE WOMEN'S MEETING AT DES MOINES, IOWA

League of Women Voters Discuss Plans for the Future

(By The Associated Press)

DES MOINES, Iowa, April 10.—Tonight's session of the fourth annual convention of the National League of Women Voters was featured by the addresses of National President Maude Wood Park of Washington and Mrs. Harriet Taylor Upton of Elyria, Ohio, woman's chairman of the National Republican convention. Mrs. Park urged that efforts be made to get a greater representation of voters, particularly women, at the polls in 1924, and that women include themselves not only in pending legislation, but also in the enforcement of laws already enacted.

Members of the league politically inclined were asking each other whether Mrs. Upton's address was to be interpreted as an invitation for the league as an organization to affiliate with the Republican party. She said:

"When the league gets a certain distance on its journey it cannot proceed without the help of the majority party."

"Then it gets such help as I, with my position in the political party, can give it and I do this because the thing is right itself, and because I trust to the utmost the national officers of the league. I trust Mrs. Park, the noble woman that she is, and she trusts me. Why should not all league women trust all political women and why should not all political women trust the league women, for after all the women's battle is not finished and it will be finished sooner and better if women work harmoniously together."

The afternoon session of the convention was devoted almost entirely to discussions of problems of local and state organizations of the league.

Mrs. Herbert Otterheimer of Louisville, Ky., representing the National Council of Jewish Women, urged the women to get away from individualism, into co-ordination for co-operative purposes.

The council of the Jewish women and the Ladies of the Macabees are the only two associate organizations of the League of Women Voters.

REPORT 575 CASES OF SLEEPING SICKNESS

(By The Associated Press)

WASHINGTON, April 10.—A total of 575 cases of encephalitis lethargica, commonly known in this country as "sleeping sickness" were reported to the public health service during the first three months of 1923.

Figures which became available today showed that prevalence of the disease reached its greatest extent in the week ending March 24 when sixty nine cases were reported. The total for the week of March 31 was 37.

Public health officials pointed out that the figures were not exact since the germ of the disease has not been definitely isolated.

Physicians in a number of cases have confused the affliction with meningitis and other diseases. One case recently reported as sleeping sickness turned out to be one resulting from a malarial infection.

Encephalitis lethargica is not the "sleeping sickness" known for centuries in Africa. The germ of the historic "sleeping sickness" of the dark continent has been isolated and is carried by the tsetse fly. The American disease now given popularly the same name is thought here to be the terminal stage of other more or less common ailments notably influenza.

BAR HUMAN FLIES FROM SCALING SKSCRAPERS

New York, April 10.—The board of aldermen today adopted an ordinance prohibiting the scaling of skyscraper walls by "human flies." The vote was 53 to 1. Alderman Molen of Brooklyn, the lone opponent of the measure, declared it was not within the province of the board to stop any person "who wanted to take the suicidal risk of swarming up the side of a skyscraper."

The adoption of the ordinance came about as a result of the death recently of Harry Young, who fell while climbing up the outside of the Hotel Martingue.

VETERAN ENGINEER INSTANTLY KILLED

Colorado, Texas, April 10.—William Price, veteran engineer on Texas & Pacific passenger train No. 15, was killed instantly this morning when the engine and tender of his train, pulling a train for the west left the tracks and went over a steep embankment. A split switch was given by officials as the cause of the accident.

PERMISSION FOR VISIT WITHDRAWN BY UNITED STATES

Visit of Russian President's Wife is Annulled

(By The Associated Press)

WASHINGTON, April 10.—The American government again has made manifest its deep repugnance and abhorrence at the methods of Lenin and Trotsky. As an avowed protest against the execution of the prelate Butchkevitch put to death because he opposed the revolutionary doctrines of the soviet, the state department has withdrawn the authorization under which Ekaterina Kalinin, wife of the Russian president had planned to pay a visit to the United States.

In announcing their action today department officials let no doubt of their aversion to any further thought of admitting to American hospitality an emissary even indirectly connected with the soviet regime. They took the position that even the ostensibly humanitarian purpose of her visit it would not counteract the feeling of repugnance against her because of the execution of the prelate.

"The department of state" said the "terribly worded announcement," "has cancelled the authorization for a visa for Madame Kalinin, wife of the president of the so-called soviet republic of Russia. The presence of Madame Kalinin in this country is rendered wholly undesirable by the feeling which has been aroused by the execution of Vladimir Butchkevitch. The position of the department is taken especially in protest against this execution."

Even before the death sentence of the prelate was carried into effect many protests against the admission of the Russian president's wife had reached the state department's organizations which have opposed dissemination of soviet doctrines in this country, predicting that she would make political capital of her proposed trip over the country in the interest of Russia itself.

Administration officials here could find no legal barrier to her entry into the country however, and the American consuls at Riga and Bera were instructed to visa her passport.

Since the execution, however, which was carried out over the objection of most of the civilized world and in disregard of an earnest request from the United States for a respite, these protests have greatly increased in volume. Supplementing the short statement given out at the department officials said the action taken would be a response to these protests as well as a protest in itself against imposition of the death penalty.

Madam Kalinin's tour of the United States was to have occupied two months during which time she was to address various meetings under the auspices of the American committee for relief of Russian children. It was the understanding here that she was preparing to start for America in the very near future.

ARREST COUPLE FOR WHIPPING CHILD

(By The Associated Press)

HERRIN, Ill., April 10.—Police today were holding Fred P. Plock and Mrs. Maggie Cutrell in default of \$2,000 bail, after they had been summoned to the Plock home, where Mrs. Cutrell resides and found Margie Smith, three years old, tied to a bed with her body badly bruised from a whipping. The child is the daughter of Mrs. Carrie Smith, an employee of a hospital at Danville, Ill. Mrs. Smith has been paying Plock \$15 a month to keep the child. The child was taken to the home of neighbors following the arrests.

BERTON BRALEY'S DAILY POEM
POSSESSIONS
By Berton Braley
MUCH time and toil I've given for
The things that I have striven for,
My car, my clothes, the little cash I own;
Possessions not imperial
But solid and material,
Which give to life a certain dulcet tone,
I like to have and use them all,
And yet if I should lose them all,
Still I could smile and watch my wealth depart;
Let worldly chattels stray from me,
But, Fate, don't take away from me
The little dreams deep hidden in my heart!
Oh, poverty's no joke at all,
I don't like being broke at all,
I'm very fond of comfort and of ease;
I dread their loss most fearfully,
Yet I could bear it cheerfully
And start again to earn them by degrees;
Life's pretty bleak and bare withal
To one who lacks the wherewithal,
I know, because I've often made the test;
But not a wall you'll catch from me
If fortune doesn't snatch from me
The little dreams deep hidden in my breast.

The reappointment of Mr. Lueder as postmaster at Chicago will cause no surprise. A man could not be expected to resign that position just for the chance of being mayor of Chicago unless he had a pretty good understanding in advance of what was going to happen if defeated in the election.
J. E. Osborne, who was re-nominated yesterday as Republican candidate for member of the county board, must have left a pretty good reputation down in Murrayville, his old home. The vote there was very complimentary to Mr. Osborne and indicated that he is most esteemed where best known.

LEGION POSTPONES REVUE UNTIL JUNE
Entertainment is Put off on Account of Conflicting Dates — Will be Held at Grand Opera House on Night of Dedication of Soldiers' Building.
The American Legion Revue, which was to have been held on April 16, has been postponed for the present, according to a decision at the meeting of the post held last night. Plans for a more extensive and elaborate program to be held at the Grand opera house on the evening of June 15, following the big patriotic dedication ceremony, are now under way. The entertainment that evening will be similar to the one planned for April 16, only on a more elaborate scale.
The Legion members wish to thank all who offered their services in the postponed program. The same talent will appear on the program in June, and more will be added.
The Legion members enjoyed eats and a radio program at their meeting last night. The radio set was provided thru the courtesy of the Walsh Electric Co. The Revue was postponed mainly on account of conflicting dates.

FACULTY RECITAL AT BLIND SCHOOL
Large Audience Heard Fine Program Given Tuesday Night in School Auditorium
A large and exceptionally appreciative audience Tuesday evening heard what must be recognized as one of Jacksonville's finest musical entertainments. The music faculty of the Illinois School for the Blind, appearing as a group but once a year in public recital, gave proof of their study and talent.
Mr. George Gerlach, instructor of organ and piano, played two characteristic dance movements and three tone sketches for organ with his usual finish and correctness of expression. It was remarkable with what adaptability of voice and interpretation Miss DeWoe, teacher of voice, rendered two groups of songs. To each song in turn she gave fitting temperament, from the impressive Spirit's Song of Haydn to the lighter vein of the Maid of Japan.
The violin concerto in E minor by Mendelssohn, which is widely reputed among violinists as combining within itself difficulties of technique with greater difficulties of expression, was performed by Mr. Meyers with a facility of hand and power of address which quickly made its appeal to the listeners. A violinist is to be congratulated who like Mr. Meyers, has surmounted the technique of perhaps the most difficult of all instruments, and who can assert independence of musical thought and energy.
The last number of the program, the Hungarian Fantasia Concerto by Liszt, as rendered by Mrs. Helen MacDougal James as soloist and Miss Alice Mathis, second pianist, was thrilling and brilliantly performed. In it Mrs. James displayed to its fullest her vigor and grandeur of pianistic discourse. Not a little of the success of the program was due to the musical and intelligent adroitness which Miss Mathis showed in accompanying throughout for Miss DeWoe, Mr. Meyers and in playing the orchestral parts to the Liszt concerto.
The program as previously announced was given.

FARM HOME OF MRS. DYER BURNS
The farm home of Mrs. John D. Dyer, located two miles north-east of Pisgah was totally destroyed by fire about 8 o'clock Tuesday evening.
The fire had gained such headway when discovered that but little furniture was saved. It is thought the fire started from the explosion of a lamp.
The loss is partially covered by insurance.

SINGLAI COUNTRY CLUB TO MEET TODAY
A regular session of the Singlaid Country club will be held this afternoon at the home of Mrs. N. T. Fox near Singlaid. Mrs. George Robinson will be in charge of the program and will present a paper on "Luther Burbank, the Plant Wizard." This will be followed by informal discussion in which carious ones will take part. A number of guests have been invited and the session promises to be a profitable one for all.

MOTOR TRUCK LINE IS INCORPORATED
Articles of incorporation have been granted to the Pittsfield, Winchester and Jacksonville Motor Truck Co., a new concern which is to operate motor trucks between this city, Pittsfield and Winchester.
The company, which has a capital stock of \$5,000, will maintain headquarters at Pittsfield. The incorporators are Basil W. Hendricks, Lewis E. McIntire and Elva W. Hendricks. The company has been organized for the purpose of handling freight between the points indicated.

BAPTIST TEACHERS HOLD GOOD MEETING
Sunday School People Hear Message From Wayne Gard — Remarkable Attendance Records Shown—Star System Back in Use.
The teachers of the First Baptist Sunday school held their regular monthly supper and meeting Tuesday evening in the church parlors. A splendid chicken supper was served by a committee consisting of Mrs. John Vasey, Miss Ada Vasey, Mrs. W. T. Spires, Mrs. Charles Laney and Mrs. S. T. Anderson.
The superintendent of the school, Dr. G. H. Kopper, presided. Mrs. G. W. Gard told the teachers of some of the experiences of her son, Wayne Gard, in the Burmah mission field. In a recent letter Mr. Gard mentioned the fact that the Burmans are displeased with the support which the British government gives the schools conducted by the Christian missionaries. The people are taxed to partially support these institutions, and those who are not Christians do not feel that this is just. There are also regular government schools, which are supported by taxation, but these are undenominational.
Mr. Gard mentions an interview which he had with the last queen of Burmah. She has promised to write the story of her life, which Mr. Gard hopes to publish at some future date.
Father of Local Teacher Ill.
Another item of interest in the letter from Rangoon was the fact that Prof. Tibby, father of Miss Lucille Tibby, a teacher in the high school here, is ill in a hospital in that city. The professor is a teacher in a Baptist mission school in the interior of Burmah, but has been compelled to temporarily give up his work and enter a hospital in Rangoon to recuperate.
After the talk by Mrs. Gard, the superintendents of the several departments made interesting reports. The Sunday school at the Baptist chapel was reported to be in a flourishing condition, the attendance sometimes going as high as eighty. The junior department of the main school, of which Miss Mabel Withee is superintendent, reported remarkable records of attendance in the various classes. For seven successive Sundays following the first of the year, a class of eight boys taught by Byron Stewart, had a perfect attendance. Other classes have made fine showing during the past quarter.
The star system of rewarding attendance in the Sunday school has been renewed after being allowed to lapse for several years. Those who attended every Sunday during the quarter receive a button. A year without a single absence brings the scholar a gold star, and a longer record of attendance is rewarded with a gold bar at the end of the chain of stars.

MRS. STOTTS DEAD AT MEREDOSIA
Funeral of Long Time Resident Will be Held Today—Interment to Take Place Near Bethel.
Meredosia, April 10. — The death of Mrs. Jacob Stotts occurred at 7:30 o'clock Monday night at the home of her son, Neely Stotts, five miles east of Meredosia.
Mrs. Stotts who was seventy-three years of age, had been ill since January 6, and her relatives and near friends realized the seriousness of her condition. The deceased who had spent much of her life in this location, was held in high esteem by all who knew her. Mrs. Stotts is survived by her husband and two sons, Neely of Meredosia and Oliver of Hartford.
The funeral will be held at 11:30 o'clock Wednesday morning at the home of Neely Stotts and the services will be in charge of Rev. G. W. Holmes, pastor of the Meredosia M. E. church. Interment will be in Tipsett cemetery north of Bethel.

MRS. LAMBERT TO SAIL APRIL 29
The many friends of Mrs. Belle Shook Lambert, who has been in Europe for the past several months, will be glad to know that she is to return to this city early in May. A letter received recently from Mrs. Lambert states she expects to leave Chateau Thierry, France on March 26, and would spend three weeks in various parts in Italy. She expected to sail on April 29 for New York on the President Polk, and was to spend a day or two in New York, then expecting to leave for Chicago enroute home.

RAISING FUND FOR THE JUBILEE
Executive Committee for Church of Our Saviour Celebration Hold Public Meeting—\$2,200 Subscribed to Fund—Message Read from State Auditor Russell.
A meeting of the executive committee which has in charge the jubilee celebration of the Church of Our Saviour was held in the auditorium of Rount college Monday evening. The public had been invited to attend and many persons were present to learn in this way further facts about the plans of the committee.
The opportunity was also given for suggestions from those present. James V. Kennedy presided during the session and after his explanation of the purposes of the meeting brief addresses were made by members of the committee and others present.
When the report was given to subscribe funds for payment of jubilee expenses \$2,200 was quickly subscribed. Within a short time a systematic canvass for the funds will be made. The committee felt that this first public meeting with reference to the jubilee was indeed a success.
A telegram was read from State Auditor Andrew Russell in which he expressed his interest and his desire to be of any assistance possible in preparing for the celebration.
Mr. Russell's telegram read as follows:
"I have just learned of the contemplated meeting for the purpose of holding a jubilee in honor of Father F. F. Formaz. During his residence of more than twenty years in our city Father Formaz has exerted an influence for which good in our midst, and has been a leader in whatever has been for the development and welfare of Jacksonville. I wish you success in your undertaking, and will be glad to make a contribution to assist in this enterprise."

SEED CORN

THE COLUMBIANA FARMS AT ELDRED, ILLINOIS, Greene County, again have carefully selected and tested seed corn of strong germination for the Spring of 1923, which they produced in 1922 from DISEASE FREE SEED CORN, purchased from the FUNK BROTHERS SEED COMPANY at \$10.00 per bushel. This corn is Yellow Dent, called Utility Type. The medium, smooth, well matured ears will give higher yields and better quality than the rough starch corn which is later in maturity, lighter in weight, with inferior root development, more barren stalks, and has less vitality to resist unfavorable weather.

The corn will be distributed to farmers in Morgan County, Illinois.

Chamber of Commerce. It was reported that one hundred season tickets have already been placed, and the committee has at least fifty additional tickets to sell. Chairman Riddle is very anxious that those who desire tickets should secure them at once.

The local course is to be opened May 1, and Chairman Reid of the committee in charge of preparations has announced that eadies will be ready for action on that date. Tee boxes, numerals for the hole and other equipment will be in place and ready for use.

The greens committee is planning some improvements and meetings will be held later to make further plans for this work.

LETTERS AWARDED TO H. S. TOSSERS

Ten Members of Basketball Team Receive J's at Assembly Tuesday—Inter-Class Baseball Practice Begins.

J's were awarded at the high school assembly Tuesday morning to the ten members of the basketball squad who participated in the games of the past season. The letters were given out by Coach J. L. Mitchell, with an explanation of the requirements and a summary of the season's play.

Those who received the letters were: Hackett, Hopper, Harrison, Ulut, Hunter, Putnam, Deatherage, Zell, Dewees and Benson.

Interclass baseball is getting a good start at the high school. The space in the rear of the Josephine Milligan school has been set aside for practice and special days have been allotted to teams from each class. The seniors practiced Tuesday afternoon after school, and the juniors will practice this afternoon. Sophomores will practice Thursday and the Freshmen Friday.

It is probable that when the series starts, two games will be played each Friday afternoon during the season. It is expected that the grounds at the Jacksonville State hospital can be secured for these games.

GROCERS HAVE PLAN FOR ORGANIZATION

Will Meet Soon for Banquet and Conference — May Pattern After Automotive Dealers Association.

It was learned Tuesday that there is a movement to organize the grocers of Jacksonville and that within a few days letters will be sent out to all grocers outlining the plan and inviting them to meet at a date in the near future for a discussion of the proposition, the business session to be preceded by a banquet.

Several of the grocers of the city who are interested in the progress of the Automotive Dealers' association and have learned something of the great benefit their association has been to its individual members and of the work it has accomplished, and the idea is to organize along similar lines.

If a grocers' association becomes a fact it will be incorporated and its slogan will be "Mutual Aid — Not Profit," and its principal work will be the education of the public as to the real importance of the grocery business here. It will lay emphasis on the great number of standard lines carried, and that quality for quality all staples can be purchased in Jacksonville for as little money as anywhere in the county, the first step in this direction probably being a regular big city pure food show.

A further object of the association, aside from promoting acquaintance and friendly relations, will be to aid by concentrated efforts all movements which have the growth and advancement of Jacksonville for their foundation.

WAVERLY MAN DIES AT HOSPITAL HERE

General Paralysis Causes Death of Newton Goacher Tuesday Afternoon—Coroner Holds Inquest.

An inquiry into the death of Newton Goacher, of Waverly, which occurred yesterday afternoon at the state hospital, was made by Coroner Charles A. Rose shortly after Mr. Goacher passed away. The jury impaneled for the inquest returned a verdict, stating that death was caused from general paralysis of the insane.

Testimony of witnesses showed that Goacher suffered a complete collapse after a prolonged period of violent manifestations of insanity. Everything possible was done by hospital authorities to keep the patient from injuring himself while in this condition. General paralysis of the entire nervous system, due to exhaustion, came suddenly yesterday, and death resulted before the patient could be removed to the infirmary.

The coroner's jury at the inquest consisted of B. B. Ridgway, foreman; G. A. Leach, Homer Cully, J. F. Kiner, R. W. Megginson and William Rexroat. The remains were removed to the O'Donnell undertaking parlors, and later taken to Waverly, where funeral services will be held.

Goacher was about thirty-five years old. He has a number of relatives living in Waverly and vicinity.

BOXING BILL IS REPORTED TUESDAY

SPRINGFIELD, Ill., April 10.—A boxing bill embracing the most important features of the three already introduced in the house was reported out this afternoon by the committee on licenses and miscellany. It will be presented in the house tomorrow and read for the first time.

The measure provides for a state athletic commission of three members appointed by the governor at a salary of \$5,000 a year with a secretary at \$4,000. The commission will make detailed rules for bouts. Ten three minute rounds to a bout and a no decision matches are provided for. Participants must fight with six ounce gloves and be licensed, and must undergo an examination by a physician before fighting. Bouts of professionals may be staged only by clubs with a membership of not less than fifty. Amateur matches may be staged by American Legion posts the central athletic union and similar bodies and will not be subject to a state tax of 10 per cent of the gate receipts. Amateurs may box for decisions.

"Fake" fights are punishable by revocation of licenses, a \$1,000 fine and three to six months imprisonment. These penalties apply to fighters and matchmakers and others concerned.

Each club staging bouts must deposit \$5,000 with the secretary of state and procure a permit for each show.

CHARLES PADDOCK LEAVES FOR PARIS MEET

PASADENA, Calif., April 10.—Charles Paddock will leave tomorrow noon for Paris to race for the last time of his college career in the city where he first came into prominence as a sprinter. After the Paris meet he will be ineligible to race longer under his college colors.

He stated today that he never felt better, that he was in perfect condition and he hoped to equal his former records abroad. Paddock declared that ever so often some one announced that he was "thru with racing" but that he planned to race as long as he was able to make speed.

ATTEND MEETING OF WOMEN VOTERS' LEAGUE

Dr. Grace Dewey and Mrs. A. L. Adams Attending National Convention of League of Women Voters at Des Moines.

Dr. Grace Dewey and Mrs. A. L. Adams left Tuesday afternoon to attend sessions of the national convention of the League of Women Voters now being held at Des Moines, Iowa. The sessions began Monday and will continue thru Saturday, April 14.

The local women are representatives of the Morgan county branch of the Illinois League of Women Voters. The convention constitutes the largest and probably the most representative of all women's gatherings in the United States, and a great deal of interest attaches to the sessions.

Miss Julia Lathrop, the president of the state organization, will be one of the speakers and there will be addresses by various other prominent women from all over the United States.

Miss Edith Rockwood of Chicago, who is the executive secretary of the Illinois League of Women Voters, is to be in this city on Thursday, April 19. At that time Miss Rockwood will tell something of the aims and accomplishments of the state league, and Dr. Dewey and Mrs. Adams will report on the convention.

Adams will report on the convention.

Your system demands ALL BRAN if constipation is to be relieved!

Your system needs the "roughage" that Kellogg's Bran, cooked and crumbled, supplies. For, it will not only permanently relieve constipation, it is eaten regularly, but its full content of the vital elements of wheat will build health and strength in a wonderful way.

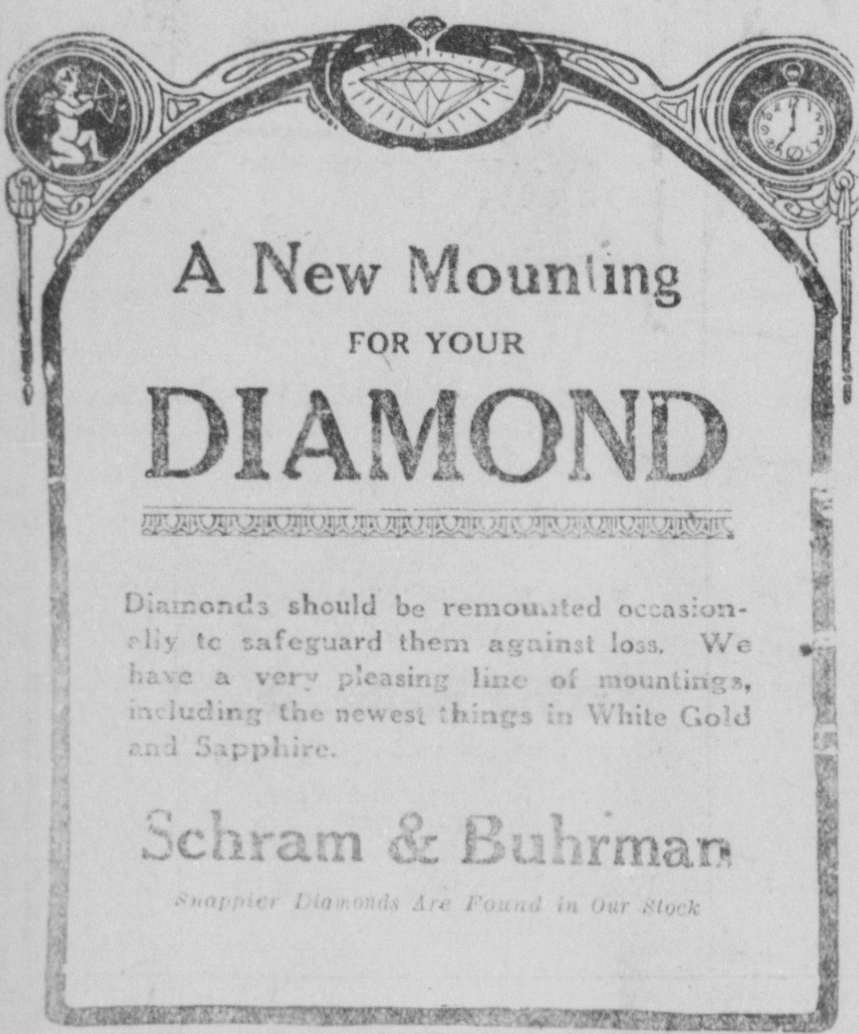

You need bran in its full and beneficial strength and that's what you get in Kellogg's Bran—ALL BRAN! You eat Kellogg's for relief and you will get relief in a way that nature planned. Foods with a bran mixture cannot help the man, woman or child who faces grave illness through constipation. You must have ALL BRAN—"roughage" that will sweep and clean and purify and bring health back!

Children should be given Kellogg's Bran each day; grown people should

eat Kellogg's each day—at least two tablespoonfuls, in chronic cases with each meal. Its mechanical action will afford permanent relief.

And, you will find Kellogg's Bran a delight to eat because it is so delicious. As a cereal, sprinkled on other hot or cold cereals, or used in countless bakery batches or in cooking, its nut-like flavor will thrill your appetite—and each spoonful means so much in permanently relieving constipation and in warding off this gravest national ailment. Kellogg's recipes are printed on each package.

Start the entire family eating Kellogg's Bran to-day. See the color come back to faded cheeks; see the snap that will go into lagging steps. Kellogg's Bran is wonderful. All grocers sell it!

The diamond solitaire long has been considered as the only proper betrothal ring, but it now is quite different from the one mother or grandmother so highly prized. They now are set in the modern platinum and the white gold, more rich and lovely, but no higher in price. And the wedding ring is beautiful to behold and to own, in the white and colored golds bearing the wondrous orange blossom and other designs.

Won't you let us show you these rings?

MAY PLANT TREES

AROUND LINCOLN HOME
Springfield, Ill.—A park of memorial trees about Lincoln's home here, in which every state in the union would be represented, has been suggested by Russell T. Edwards of Washington, D. C., educational director of the American Tree association. In a letter to members of the city planning and zoning commission, Mr. Edwards called attention to the trees planted by various states about the Lincoln memorial in Washington, and suggests the same should be done for the Lincoln home. Each state should plant at least one tree, he said.

ADVISES PUBLICITY IN HERRIN PROBE

(By The Associated Press)
SPRINGFIELD, Ill., April 10.—A perfunctory session of the house committee appointed to investigate the Herrin mine disorders was held this afternoon. Adjournment was taken until an undetermined hour tomorrow.

Chairman McCarthy said some state officials may be summoned for tomorrow but that no subpoenas had been issued today. Colonel S. N. Hunter of the National guard, who was Adjutant General Black's representative at Herrin last June is ill and probably will be unable to appear for a day or two. It is likely that meanwhile General Black and others will appear before the committee in private session.

Speaker Shanahan tonight declared he was opposed to private meetings of the committee and that he would endeavor to persuade Mr. McCarthy to make all testimony available to the public.

"You fellows must have something to write about," the speaker told newspapermen, "and it is better to have facts than rumors."

LONDON TO STOP LONG DISTANCE DANCING

(By The Associated Press)
LONDON, April 10.—(By The A. P.)—England is aroused over its own "folly" in starting long distance dance contests.

"More mad dancing," is the headline carried over a cable report of a New York girl's feat in setting a fifty-hour non-stop record while the Sunderland magistrates have emphatically refused to permit any more dance endurance tests.

"It is an idiotic idea verging on lunacy," said the mayor, "and the magistrates will not deviate a hair's breadth from the regular licensed hours."

RAILROADS NOT BROKEN

DOWN MARKHAM SAYS
Springfield, Ill., April 10.—The railroads of the country are not broken down, generally speaking, but in many instances are in better condition than they have been for many years, President Charles H. Markham of the Illinois Central railroad told the senate committee on transportation survey this afternoon at its hearing on steam roads. He did not refer to the problem of the Chicago, Peoria & St. Louis line.

President Markham declared his road is in better shape now than it ever has been, but that many railroads are not equipped as they should be being in a stage of recuperation from post-war conditions.

M. S. GRANVILLE IS VICTIM OF HOLDUP

Three Negroes Knock Him Down and Take \$10 in Cash and Watch on North Main Street—All Three Under Arrest

Marion S. Granville, a student at Illinois College, was the victim of a holdup on North Main street about 11 o'clock Tuesday night. The men, Clinton and Charles Jackson of East Washington street and Homer Stone of North West street, are under arrest charged with the crime. Charles Jackson is out on parole.

Granville had been making a social call and was returning home when he was approached by one of the robbers. When the man attacked him he defended himself but was knocked down by one of the other men who came up and struck him in the back of the head.

While two of the men held Granville the other relieved him of a \$10 bill and his watch. As soon as Granville got away from the robbers he hurried to the police station and reported the robbery to the police.

Granville told the police that he could identify all of the men. Patrolmen Williams and Blue accompanied him to North Main street and he saw a negro approaching and exclaimed, "There is one of the men."

The man proved to be Charles Jackson. When he was taken to the station and searched a \$10 bill was found in the hand of his hat. The officers then obtained the names of Clinton Jackson and Homer Stone and they were arrested shortly afterward in North West street.

They were taken to the station where they also were identified

DEATHS

Elmore
Silas Albert Elmore, the infant son of Mr. and Mrs. Silas Elmore of Arcadia, predeceased away recently at the family home. The child was seventeen days of age and is survived by his parents and four sisters and two brothers. Interment was made in the cemetery at Arcadia.

Harney
Death came at 3 o'clock Tuesday morning to Mrs. Grace May Harney at the family home on Greenwood avenue. The deceased had been ill only a few days, the cause of her death being an attack of diphtheria.

The deceased is survived by her husband, LeRoy Harney, and three small children. She was twenty-six years of age. The funeral will be held in Morgan county.

The funeral arrangements have not yet been completed and will be announced later.

Birthday Surprise Party

Mrs. Anna Story planned a surprise on her daughter, Irene, Saturday afternoon in honor of her birthday. About twenty friends gathered to help her celebrate and the hours which were from 1:30 until 5 were very pleasant. Dainty refreshments were served during the afternoon. Miss Irene received several presents.

At a late hour the guests departed thanking their hostess for a pleasant time spent, and wishing their school friend many more happy birthdays.

Those present were Mrs. George Heller and daughter, Ruth and Eliza Allen Wright of Murrayville and Mrs. S. Sheppard, Inez Sheppard, Mildred Crabtree, Harold Howard, Gladys and James Alfred Million, Ellen, Forrest and Jean Scott Crouse, Iva Short, Margarette and Johnnie Irlam and Iva and Clarence Clayton.

Eda Ewing Circle Met Last Night

Members of the Eda Ewing Missionary society of Central

Christian church met Tuesday evening at the home of Miss Katie Vee Clarkson on West College avenue. The program of the evening was in charge of Miss Esther Carlson, who was assisted by Mrs. Lucille Crawford, Miss Marie Finney and Miss Clarkson. The program theme was "Patriotism," and interesting facts about mission work were given. Miss Carlson was in charge of the devotional exercises.

Two interesting letters were read during the evening. Miss Finney read a letter from Rev. Royal J. Dye, missionary to Africa, describing some phases of his work there. Another letter read was from Miss Mary Deweese, a former member of the society, now resident in Los Angeles, Cal. Miss Deweese told something about the missionary work in the coast city, and both letters proved very interesting to the company. Mrs. Ben Roodhouse gave two readings which were very much enjoyed.

The usual social hour followed the program and the hostess served dainty refreshments.

Westminster Women Met

The regular meeting of the Women's Missionary society of Westminster church was held Tuesday afternoon at the home of Mrs. Anna Smith, 1061 Grove street. Mrs. Smith also had charge of the afternoon's program, and discussed educational work among the negroes of the United States. A brief time was spent socially and the hostess served refreshments at the close of the afternoon.

Entertained Friends at Dance

A dancing party was given Monday night at M. W. A. hall by Beat Moody, J. T. Grady and Edgar Mills of Litchberry. About 100 persons were present and in every way it was an enjoyable

event. The music for the event was furnished by Miss Marie Shawen, J. E. McDonald and Everett Smith.

Entertained Informally

Mr. and Mrs. Homer Potter of Park street entertained a number of friends Monday evening, the affair being quite informal in character. The hours were spent with cards and music and delicious refreshments were served.

EXPRESSES APPRECIATION

I did not seek the nomination for member of the county board and realize that I should be attending to my own affairs instead of holding a public office. However, I cannot but appreciate the loyal support accorded me at the polls yesterday, and take this as an expression of the belief of my friends that I have been a conscientious member of the county board.

If elected in November it will certainly be my earnest purpose to give the public business my very best thought and attention. I look upon a public office as a public trust and hope to be found worthy of any confidence reposed in me by the people of Morgan county.

POLICE FIND LIQUOR

Three pints of liquor which considerable kick in it were found by local police Tuesday morning when they raided a room in a boarding house kept by Mrs. Dyce on North Main street. The room was occupied by William Gaines. States Attorney Robinson says he has evidence to prove that liquor was being sold in the room. The police found the room padlocked, but having a search warrant, they broke the door and found the liquor. Gaines has disappeared, and at last reports early this morning he had not been located.

DELIVERANCE A GREAT FILM

"Deliverance," a film story in which the life story of the famous Helen Keller will be told, is to be shown at Westminster church next Sunday night. The New York Evening Mail recently referred to this picture as "a photograph which will live twenty years hence after other films now popular have long since been forgotten. Other press comment is just as complimentary.

VISITORS IN QUINCY

E. E. Crabtree and Dr. A. H. Doller went to Quincy yesterday to attend the inter-city meeting of Rotary clubs, arranged by the Quincy club. Mr. Crabtree appeared on the program.

LONG TIME RESIDENT PASSED AWAY TUESDAY

Isaac Watson Resident in Morgan County Since 1869 Dies After Long Illness—Funeral Services Thursday Afternoon.

Isaac Watson, long time resident of Morgan county and one of its prosperous and successful farmers died at his home 1515 South Main street, South Jacksonville, at 3:20 o'clock Tuesday afternoon. Mr. Watson had been in failing health for a number of years and death was not unexpected.

Decedent was the son of William and Sarah Harlan Watson and was born at Seaton, near Olney, England, March 19, 1847. While yet a child his parents moved to Cayota, near Seabrook, England where he grew to manhood. He worked on a farm in that vicinity until 1869 when he came to the United States.

Arriving in this country Mr. Watson came directly to Morgan county where he worked as a farm hand until 1871, when he rented a farm and engaged in farming for himself. Six years later Mr. Watson purchased a farm of 200 acres southeast of Jacksonville. He made his home on that farm until a few years ago when he retired from active work and removed to Jacksonville where his declining years were spent.

October 27, 1872, Mr. Watson was united in marriage to Miss Sarah Jane Ranson, whose parents, James and Sarah Richardson Ranson were pioneer residents of this county. To this union five children were born all of whom survive. They are, Nellie B. Reynolds, of this city, L. R. Watson, C. W. Watson, of Gibson, Mrs. Lloyd Magill and Mrs. J. L. Tamm of this city.

Mr. Watson for many years was known as a maker of "burgoo" soup, a Central Illinois and no place where this soup was served was complete without "Uncle Isaac," as he was more familiarly known, as head soup maker.

While resident in England Mr. Watson united with the Church of England. After coming to this country he attended Asbury church and was a liberal supporter of that organization thru the years.

A republican in politics, Mr. Watson took an active interest in the affairs of the party. He was prominent in the Anti-Horse Thief association and was one of the early members of the organization.

As a farmer Mr. Watson was a man of vision and was ready to embrace anything that would tend to improve agriculture. He was always upright and honest in his dealings and it could truthfully be said of him that his word was as good as his bond.

Funeral services will be held from Asbury church Thursday afternoon at 2 o'clock in charge of the Rev. G. W. Randle and Dr. G. W. Miller of Woodson. Interment will be in Asbury cemetery.

SCHOOLS IN SCOTT COUNTY CLOSE TERMS

South College and Bloomfield Schools Have Ended Term Work—Other Winchester and Scott County News

Winchester, April 10.—The South College school, of which Miss Loretta Lashmet is the teacher, closed the term Tuesday. The pupils and patrons of the school enjoyed a picnic at the school house, an excellent picnic lunch being served at noon. Miss Lashmet's work during the term just closed has been very successful.

T. C. Hamilton of Jacksonville arrived in Winchester Tuesday for a visit with relatives and friends and to look after business interests, expecting to remain until Wednesday. Mr. Hamilton and his family have recently moved to Jacksonville from Marion, Ill., where they lived for the past year and a half.

Miss Mary Jackson closed a very successful term of school Friday at the Bloomfield school. A large number of the patrons and friends of the pupils came to the school with well-filled baskets and a splendid picnic lunch was enjoyed at noon.

William McLaughlin, Jr., wife and child, all of whom have been confined to their home by illness the past few days, are now improving.

Seats are now on sale at the Higgins book store for the declamatory contest to be held next Thursday night at the community high school.

Joseph Daring of Jacksonville was a caller in Winchester Tuesday.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

C. President Will Leave To-night on Threefold Mission—To Attend Banquet of Chicago Society and Important Confer-ence—Will Visit Colleges

Dr. C. H. Rammelkamp, presi-dent of Illinois college, will leave tonight for Chicago, where he will attend two important meet-ings. He expects to be present at the annual banquet and meet-ing of the Chicago Society of Illi-nois college, to be held at the University Club Thursday even-ing. It will be "Journalists' Night" for the society, and the speakers will be men who were students at the college and who have since made names for them-selves in the journalistic field.

Ted Phillips, political writer for the Tribune and Oscar Hewitt, a prominent member of the report-orial staff of the same paper, will address the society. Dr. Ram-melkamp will also be one of the principal speakers.

On Thursday morning Dr. Rammelkamp will attend a joint conference of the Presbyterian College Board of the state and the presidents of the Presbyterian colleges of Illinois, to be held at the Union League club. The pur-pose of the meeting is to decide upon and arrange for a joint fi-nancial campaign to be put on in the state for the benefit of the Presbyterian colleges and the work of the denomination in the state university.

The Presbyterian college board of New York is sending repre-sentatives to this conference, and the Commission on Christian Education will also be repre-sented. Upon the decision made at the conference will de-pend the launching of a campaign that will be state-wide. The various representatives will have dinner together at the Union League club, and the meeting will extend into the afternoon.

After the day of conference and the alumni banquet in Chicago, Dr. Rammelkamp will spend the remainder of the week in work for the Examining Board of the state department of public in-struction. He is chairman of this board and will visit two colleges in the northern part of the state which are asking to be accredited by the state department.

Hotel Subscription List Totals \$195,000—Committee Will Con-tinue Campaign for Final Thousands

Less than \$5,000 remains to be raised to make up the total of \$200,000 sought by the hotel campaign committee. Another meeting of the workers was held Tuesday night at the chamber of commerce rooms and the addi-tional pledges reported brought the total to \$195,000. Most of the subscriptions were in \$100 amounts and if as much can be accomplished in the next three days as was true in the three days preceding, when the workers meet again on Friday night the total sum will have been raised.

However, in all such campaigns there will be a certain percent-age of losses and it will be nec-essary for the committee to se-cure in excess of \$200,000 in ad-vance or arrange in some other way for meeting any deficiency that may occur.

Harrison King, campaign man-ager, first called for reports from the different teams and various pledges were listed to the amount indicated.

Talks were made by H. J. Rod-gers, H. M. Capps, M. F. Dunlap, Felix E. Farrell, Henry Frisch, L. S. Reid, Mr. Caruthers of the Valley Mausoleum Co., and W. H. Cocking.

Progress has not been rapid in recent days in the matter of se-curing subscriptions, but when the number is taken into ac-count it is easy to understand what these workers the committee is doing in this soliciting work.

FORTY AND EIGHT OFFICER TO BE HERE

Walter E. Mack, Grand, Chief De Gare of the Forty and Eight in Illinois, is expected to come to this city some time next week, to install the local organization. This is a ceremonial order of the American Legion. The name comes from the label "Homes 40, Cheveaux 8" so familiar to the boys who rode in the French freight cars overseas.

COUNTY PRIMARY A VERY QUIET EVENT

Light Vote Polls in Both City and County Precincts—J. E. Osborne, Republican, Renomi-nated for County Board—John McDonald is Democratic Can-didate.

The county primary was held yesterday, when J. E. Osborne was chosen as the Republican candidate for member of the county board. Mr. Osborne re-ceived a total of \$79 votes, with 376 votes credited to his oppo-nent, D. L. Bentley. The Demo-cratic nominee is John McDonald, who was unopposed.

There was some activity in several of the city precincts, but as a whole a very light vote was cast. This is very apt to be the case in a primary when but one office is to be filled. The vote recorded in the various precincts was as follows:

Miss Ada Langley, superin-tendent of nurses at Passavant hospital training school, will di-rect the demonstration. Miss Inez Prather, president of the Nurses' Alumnae association, is in charge of arrangements and some of the alumnae nurses will usher. These are Misses Margaret Day, Emma Lang, Sudie Parrish, Lucetia Hutchinson, Verne Milligan and Nina Pond.

WABASH ENGINE OFF

A Wabash engine blocked the east track of the Burlington main line north of town for sev-eral hours yesterday afternoon. The engine was travelling over the Y from Alton to the Wabash when it ran off the rails and stopped in the cinders. The rear trucks and tender remained on the track. The cow catcher ex-tended over the Burlington track causing some delay of trains on that line. Aid finally came from Bluffs, and the engine was re-tored to the rails.

MEETING OF SOCIAL SERVICE LEAGUE HELD

Directors Held Regular Monthly Session at League Rooms Tuesday Evening.

The regular session of the di-rectors of the Social Service league was held Tuesday evening at the league rooms. In the ab-sence of the president, Rev. G. E. Stickney, the vice president, L. O. Vaught, presided.

A number of matters of rou-tine business received attention at the session, which was un-usually brief. Miss Fowler superin-tendent presented her report for the month of March. In addition to reporting the work which has been done thru the office during the month, Miss Fowler gave an account of the Illinois Family Workers council which she at-tended recently in Elgin.

Mrs. Garm Norbury as chair-man of the case committee, gave a report of recent efforts at re-organization and of the meeting which the committee held re-cently.

The matter of summer camps for boys and girls was also dis-cussed, and arrangements are to be made for providing a summer outing for a large number of chil-dren during the coming summer months.

HEREFORDS MADE GOOD MARKET SHOWING

Osborne & Hayes, the well known cattle feeders and shippers of Morgan county, scored the top price on the St. Louis market re-cently when they sold a load of twenty-three heifers at \$9.35 a hundredweight. The cattle were Herefords of choice quality and had been on a ration of corn, molasses feed, clover hay, and cot-tonseed meal during the feeding period of about five months. They averaged 523 pounds a head and had made rapid and substantial gains on feed as Herefords usually do.

No other sale in the heifer di- vision on the St. Louis market was made on April 4 within 60 cents a hundredweight of the price received by Osborne & Hayes, and the bulk of cattle of this class sold at a range of from \$6 to \$8.75 a hundredweight.

LINCOLN SERVICE

The satisfaction to be derived from the operation of an automobile is in direct proportion to its quality, the facilities provided for its maintenance and the care which it receives. Only when these elements are well balanced does the purchase of a motor car become a good investment.

Lincoln owners know that Lincoln cars in ordinary usage demand little attention other than the replenishment of gasoline, oil and water. That is because the service requirements of motor cars are in inverse ratio to the quality and character built into them by the manufacturers.

Periodic inspection, proper lubrication and minor adjustments, when necessary, are essential to the proper and prolonged functioning of any piece of machinery. With quality as a prime factor, it is the secret of economical and dependable transportation.

To insure the operation of Lincoln cars as a source of uninterrupted satisfaction and enjoyment, through the medium of adequate and convenient service facilities, it is the purpose of the Ford Motor Company that its entire dealer organization be equipped to render efficient and intelligent service to Lincoln owners.

Thousands of Ford Dealers in the United States are being equipped with specially trained Lincoln men, competent to make minor adjustments and of providing for ordinary service requirements.

OLD JACKSONVILLE

THE KELLOGG LOG

(BY ENSLEY MOORE)

Member Illinois State Historical Society

Much reference in early Western travel is made to the "Prairie Schooner." Why did not that invaluable means of conveyance have a "Log" as well as the watercraft does?

Last week Franklin E. Kellogg was the O. J. hero. Today his father, Florentine Erwin Kellogg shall get his inning.

He has already been spoken of, in the Journal of April 4th, inst., but deserves much more mention. For, while his father, Capt. Elissa and his uncle, Col. Seymour Kellogg were the keelboatmen who floated West to be the first white settlers with their families of Morgan county, Florentine traveled much further, and exposed himself to far greater perils than the two elder men had done.

"It will be remembered that he was only two years of age when the family came here, so his pioneering began earlier in his life than theirs had done in their youth.

In his boyhood days he removed with his father to Plum river, Jo Daviess county, Illinois, where they were among the very earliest white settlers, his father being the first man that ever took a wagon into Galena. In 1840, he in company with three brothers and one cousin, he went out into the Rocky Mountains as far as Pike's Peak, prospecting for silver, where they had many narrow escapes from the Indians. Finally, in 1846, two years in advance of the discovery of gold, he came to California.

On the 23rd day of March, 1846, he started for California with his wife Rebecca and their three little children, Angelina, Philander and baby Jane, in company with about 375 emigrants.

His outfit consisted of a two horse carriage, two wagons loaded with provisions, tools and household goods, one large and powerful New Foundland dog, five yoke of oxen, two yoke of cows, three horses, two of which were exchanged for mules at Fort Bridger on the way. He and his family rode in the carriage, while he put the wagons in charge of his brother Frank, William McDonnell and John Spritler, having endured many hardships, and having been exposed to many dangers. It took them seven months to reach their destination.

They crossed the summit of the Sierra Nevada mountains just as the snowstorm was starting in which a few days later imprisoned the ill-fated Donner party where half a hundred people perished from starvation.

At another point on the road the entire company barely escaped being massacred by the Indians, who had been enraged by a rash act of one of the emigrants, and who threatened them in overwhelming numbers.

The losses on the way were one yoke of oxen that gave out and perished, one cow that died from "hollow horn," one cow that was shot by Indians, one mule that was drowned while trying to swim the Sacramento river and faithful old Buck, the large New Foundland dog, perished from thirst while crossing the 80 mile waterless desert a little west of the Great Salt Lake.

However, their teams had been greatly reduced by reason of having to furnish a fellow emigrant by the name of Fowler with oxen, all of whose cattle had died on the 80 mile desert. Also their supply of food was almost entirely exhausted, owing to the fact that they had divided with other whose supplies had given out.

"There were many interesting incidents connected with Florentine's frontier life. For example, in 1834 (when he was eighteen years old) while relieving father and stepmother and the younger members of the family from Morgan to Jo Daviess county, when they came to Rock River, they found the ferry boat had been sunk. The family were all sick with chills and fever, so my father was left to overcome the difficulty alone, as best he could. With almost no assistance he raised the boat to the surface, bailed out the water and then got a pole with which to push it across the river. He then proceeded to ferry first the loose stock across. When this was accomplished, he put the family all on board, with the wagon and one yoke of oxen. When they were half way across, one of the oxen discovered a loaf of bread which was exposed in a bake kettle just before him. The old fellow made a start for it, when the plank on which he stepped, pushed off from the bottom of the boat, and in came the water with a rush. They beat the ox back from the loose plank, put it in place as best they could, and my father threw his overcoat under the principal leak, while he worked with all his might at the pole.

With a strong current, and the water about 12 feet deep and the boat rapidly filling, it became a race for their lives, with fearful odds against them. In spite of all their efforts, when they were still twenty rods from the shore, the boat went to the bottom with all on board. But fortunately they had reached a sandbar where the water was only four feet in depth, and no lives were lost. They had a similar experience at a place called Green River, so swollen by recent rains it could not be forded. Being a hundred miles or more from any dwelling, they were thrown entirely upon their resources and were obliged to improvise a ferry boat, which they did by taking one of their wagon boxes, and using it for that purpose. This was hauled back and forth by ropes. In starting the crossing, Mr. Kellogg tied the loose end of one of the ropes around his body, and by a great effort performed the dangerous feat of swimming with it to the opposite bank and forth by the men, folk and passengers and freight were safely transported. Finally they swam the cattle across, put their wagons together again, reloaded their freight, and went on their way rejoicing.

"Few pioneers ever endured greater hardships than some through which he passed. Once in the Rocky Mountains in 1840, he and his four companions were overtaken as night came on, by a terrific hail storm which lasted more than two hours and covered the ground to the depth of about one foot, and was followed during the remainder of the night by a tremendous rain. The wind was so strong that they could not stretch their tents or build a fire, and while the hail storm continued they had to stand with their saddles over their head for protection. After the hail had ceased, they cut branches from the fir trees and spread them on the floor, and then made their beds as best they could on the branches."

P. D. Much more might be quoted from Frank E.'s interesting story, but time and space forbid extending the story longer.

ILLINOI OPENS WITH IOWA SATURDAY

URBANA, Ill.—Carl Lundgren's Illinois conference champs will pry the lid off the Big Ten season on Saturday on Illinois field when they engage Iowa. Additional interest is furnished by

the fact that this will be the first local appearance of Sam Barry as baseball coach for the Hawkeyes. Last year Iowa forced Illinois to go ten innings for a victory and Barry is said to have a good nucleus of old men and some promising recruits. Coach Lundgren is busy this week correcting

the faults exposed by the southern trip. The outfield doesn't satisfy the coach as yet and there may be a shift. Wally Roettger will be a regular outfielder beyond a doubt and Kuehl has a good start toward a permanent berth. Bissell, Durant and Hall, all used down south, may have to dispute with Frank Rokusch. Rokusch was not taken south but Lundy is giving him a good try-out.

The pitching outlook isn't any too good just now. Cliff Jackson may be expected to go in his usual form, but "Lefty" O'Connor needs experience although he gives promise. Louie Mohr showed nicely in a pinch but has a long way to go to gain a steady job. Wierman, who was detained by quarantine and a belated examination, will be a welcome addition to the slab string if he is able to report.

Cliff Happenny lived up to promise as a short stop and batter. As a fielder he displayed some faults but they were the kind that can be remedied. One of the surprises of the trip was that Ott Vogel didn't bat better than .267. Ev Hellstrom really led the batters with an average of .357 for 28 times up. Roettger

and Kuehl were the only others who played daily who reached the .300 class.

ROUTT HIGH SCHOOL BASEBALL LEAGUE

Organization of League Has Been Perfected and Schedule Outlined—Four Teams Compose League.

Route high school has recently organized a baseball league with a membership of four teams. These teams are made up from the high school and parochial school, two coming from the high school, one from the boarding school and one from the parochial school.

Very Rev. Dean F. F. Formaz is president of the league and the set of rules and regulations have been approved by him and the principal John E. Coonen. The rules provide for two umpires for each game and specify that the 1923 official baseball rules shall govern the play of the league.

At the close of the season the two teams standing highest in percentage will play a series of five games for the school championship. The winner of the three games out of the five will be declared the champion of the league. Umpires for the championship games will be appointed by Dean Formaz and Principal Coonen.

The players eligible for the various teams is given herewith: Parochial—Paul Cooney, Capt.; Paul Zell, Murgatroyd, Herman McGinnis, Thomas Brennan, Doland and Leo White, Patrick Lyons, James Sully, Schurz, Edward Sehy, Burkery.

Freshmen—Ralph Cooney, Chester Guinan, William Clancy, Albert Sehy, captain; William Devlin, Charles Henry, Donald Heffernan, John Norris, Walter McGinnis, William Sauer, Bernard Coogan, Clarence Cross.

Sophomore-Junior—Albert Gebert, Devlin, Harold Norris, Thomas Galtens, George Murphy, William Wagner, Jerome Trahey, captain; Richard Kennedy, John Mallen, Dan Sweeney, Edward Clancy, Eugene Shannon. Boarding School—Matthew Peckavitt, Cecil Doyle, Joseph Dollear, captain; Raymond Heibentreit, Tush Guinn, Gregory Guinan, Edward Flynn, Louis Tissier, Vincent Jackson, John Leininger, John Smallwood, William Dollar.

The schedule of games follows:

FARM BUREAU NOTES

Campaign Progress.

The "neighbor sign" campaign has gone much better in many localities than was predicted. The returns indicate that the Morgan County Farm Bureau will have a sustaining membership of farmers who really understand the movement. C. E. Lock of Jerseyville and G. F. Wilson of Moweaqua, have been sent into this county by J. C. Sailor of the organization department, to complete the work. Mr. Wilson and W. H. Crum were in 16-10 yesterday afternoon and got along nicely. Mr. Lock and H. E. Kitzer were equally successful in 15-11. They will work in the vicinity of Waverly Wednesday.

Grimm Alfalfa.

S. M. Butler of Woodson has an alfalfa field that failed to come thru the winter. A part of it that was seeded with Grimm has a better stand than that seeded with a variety that was supposed to be Grimm but apparently was not. Mr. Butler is going to reseed this spring with Grimm procured from a dependable source. In this particular case the seed will be accompanied by an affidavit as to genuineness.

The Ton Litter Club.

This club now has nine members enrolled representing eleven litters. According to the rules the nominations and ear markings must be filed in the Farm Bureau office. Our brothers are reminded that nominations for this contest may be made on litters farrowed during March and April. While the contest rules have been published they will soon appear in poster form for display in public places. Members are requested to carry out the spirit and letter the contest and keep it free from those irregularities that have crept into our pig club work in the past. Contestants ought not to expect any prizes from the sources advertised without the rules are strictly complied with.

Oats and Canada Peas.

This makes a fine combination for hogging down, or hay. C. A.

Rowe is making a trial of this combination this spring.

Large Acreage of Soy Beans. Everything indicates an unusual acreage of soy beans this coming season. The local supplies of seed are practically exhausted. The Farm Bureau will continue to refer members to sources of supply but the advice from the Farm Bureau office is to buy early.

Phosphate Plots. The Farm Bureau has been instrumental in making sixteen phosphate plots for this coming season. The phosphate has been spread as directed except where it was to be used with oats. We hardly expect to see any results until just before harvest.

A third of the world's sugar, in 1921 was contributed by beets.

Now a QUICK Quaker Oats

Cooks to perfection in 3 to 5 minutes

When the Man Wants breakfast in a hurry

Your grocer now has Quick Quaker Oats, perfected by our experts. It is the quickest-cooking oats in the world. It is perfectly cooked in from 3 to 5 minutes—long before the coffee. An hour could not cook them better. If you want quick breakfasts, get Quick Quaker for them.

No different flavor

Quick Quaker tastes exactly like regular Quaker Oats. Both are flaked from the finest grains only—just the rich, plump, flavory oats. All the puny and flavorless grains are discarded.

We get but ten pounds of such flakes from a bushel. But their super-flavor has made this brand the favorite oat dish the world over.

In Quick Quaker the grains are cut before flaking. They are rolled very thin and are partly cooked. So the flakes are smaller and thinner—that is all. And those small, thin flakes cook quickly.

Quick Quaker, therefore, is ready in five minutes.

Get the style you prefer—Quick Quaker or regular. But insist, for your own sake, on the Quaker brand.

You want children to love oats. It is for them the greatest food that grows. Each pound yields 1810 calories of nutriment—twice as much as meat.

And here also is quick cooking, if you wish.

Regular Quaker Oats

COURTESY CAMPAIGN
IS PLAN OF KIWANIS

Local Club Will Take Part in Observance of Special Week Beginning April 15—Thought of Courtesy Will be Preached, Taught and Exemplified as an International Movement.

Local Kiwanians are planning to observe from April 15 to 21

as Courtesy Week in accordance with plans made by the Kiwanis Club International. President Rowe of the Jacksonville Kiwanis club announced today.

President Rowe said yesterday that the idea for the observance of Courtesy Week grew out of an experience of a group of Kiwanians at a hotel in a northern city, where they were breakfasting. The food was served with so little courtesy that the men in the party digressed from the subject under discussion and

talked about the value of courtesy in business. After some discussion of the subject in the abstract, one of the men suddenly got the idea that it would be a good thing for the 1,000 Kiwanis clubs throughout the nation to emphasize the value of courtesy in the affairs of every day life. Plans for the observance of Courtesy Week were formulated by the men before they left the hotel and with some modifications were sent from International headquarters in Chicago to all constituent groups in the United States and Canada.

Sunday, April 15, has been designated in Kiwanian circles as the day of the United States and Canada, who are Kiwanians will on that day, preach on some phase of the subject. "The Courtesy of Joseph" will be discussed in the Sunday schools by Kiwanians who are teachers of Sunday school classes using the International lessons.

The general plan calls for the observance of Courtesy Week in the homes, stores, offices, public conveyances, and all other places where persons meet. The idea back of the movement is that such benefits will be noted that persons and communities will want to make the practice of courtesy a continuous performance.

Special plans are being made to have the subject of courtesy presented at the meeting of the Kiwanis club to be held at Ponce de Leon on Thursday, April 12. The program for the meeting is "Courtesy in Business," by Ernest Fletcher.

FAMILY GATHERING
AT HOME OF H. E. OGLE

Pleasant Event Was in Honor of Birthday of Mrs. Margaret Jane Smith

A family gathering was held at the farm home of Harry E. Ogle nine miles northwest of city on Sunday, April 8th. The affair was planned as a celebration of the 73rd birthday anniversary of Mrs. Margaret Jane Smith, Mrs. Ogle's mother, who spends the winter months with her daughter's family and will soon leave to visit with her son in Concord. There are five anniversaries in Mrs. Smith's immediate family during the month of April, namely: Byron James Smith on April 1st, Melvin Smith April 9th, Mrs. Dottie Farmer, April 17th, Owen Smith, April 18th, Russell H. Ogle, April 20th; also the 30th wedding anniversary of Mr. and Mrs. H. E. Ogle, on April 18th.

Grandma Smith can tell quite a few interesting incidents of her life experience, passing thru the Civil war at the age of 15 years, then the World war. She laughingly tells how she and her two sisters and one brother used to ride horseback from her home in Monroe neighborhood to Beardstown and ride in parade at all the Republican rallies. Her father being a staunch Republican, made it impressive that his children should take part in all such events. But when Grandma married she changed her politics as well as her name, so did her two sisters and her only brother always voted Democrat. ticket Mrs. Smith's father, William Reside, came across the water from Sunny Ireland, landed at Baltimore, went to New York, there met Miss Margaret Lemm a Dutch lassie. There they were united in marriage, then emigrated to Illinois, settling in Cass county at Monroe neighborhood and there Mrs. Smith was born in 1850, April 8th.

Those present to help celebrate the happy event of last Sunday were as follows: Mr. and Mrs. Thomas Long, Mrs. Mollie Reside Cogdall, Miss Blanche Reside, all of Bluff Springs, Ill., Spencer Smith and wife, Melvin Smith and wife, Austin Smith, wife and son Byron, Elmer Smith, son, Owen of Concord, Mr. and Mrs. Edward Farmer and sons, Howard and Herald of Sinclair, Mrs. Hattie St. Ogle, Oscar Smith and wife, Miss Lucile Smith of Jacksonville, Ill., Lloyd Ogle, wife and son, Gerald, Russell, Paul, Mr. and Mrs. H. E. Ogle, Vina Logan of Grace Chapel, Helen Hale of Mercedosa.

The most interesting part was the lighting of the 73 candles on the large cake. Next was a large fine pig, roasted to a finish furnished by Russell Ogle for the happy event. All left reluctantly by wishing Grandma Smith many more such happy birthdays.

OBITUARY

John William Reside, a well known resident of Bluff Springs passed from this life on April 2, 1923 at 4 o'clock a. m. of pneumonia of short duration. He was born near Monroe church on Jan. 27, 1853 making him at the time of his death 70 years, 2 months and 7 days of age. His health began to fail him at the time of the sudden death of his youngest son, George while in government work at Rock Island. Then the long illness and sad death of his beloved wife, Nellie just 13 months ago.

Mr. Reside leaves to mourn his death 7 children, Mrs. Margaret Harris of Beardstown, James of Beardstown, Mrs. Ida Newberry Virginia, Bessie Long of Bluff Springs, John, Jr., of Pleasant Plains, Mrs. Mollie Cogdall and Blanch at home. He leaves 7 grandchildren and one great grandchild. He leaves also 2 sisters, Mrs. Margaret Jane Smith of Concord, Ill., Mrs. Mary Smith of Chapin, Ill.; one sister, Mrs. Sarah Alexander dying some 20 years ago last March. Mr. Reside was a loving father, kind husband and neighbor and always had a cheerful word for everybody.

Poem

Drop thy burden and thy care
Ere thou sleepest gently lay
Every troubled thought away:
Put off worry and distress
As thou puttest off thy dress;
Drop thy burden and thy care
In the quiet arms of Prayer.

Lord, thou knowest how I live,
All I've done amiss forgive;
All of good I've tried to do,
Strengthen, bless and carry thru;
All I love in safety keep,
While in Thee I fall asleep.

CELEBRATE BIRTHDAY

Mr. and Mrs. Elmer Mansfield of Franklin entertained guests in honor of their daughter and son's birthday, April 7. Music, dancing and cards occupied the evening. At a late hour the hostess served dainty refreshments of brick ice cream and cake. The decoration in the dining room were in the keeping of Easter, pink carnations and lilies.

Eunice and Rollin received several nice presents.

The guests left at a late hour wishing them many more happy birthdays.

Those present were: Sheriff Over Wright and wife, Deputy Henry Strawn and wife, Deputy Edgar Jones of Jacksonville, Mr. and Mrs. Pete Roberts, Mr. and Mrs. Gus M. Seymour, Mr. and Mrs. George N. Seymour, Mr. and Mrs. Dwight Seymour, Mr. and Mrs. Frank Stice, Mr. and Mrs. Harrison, Tony Koehler and sons, Mr. and Mrs. Jessie Covey and children, Mr. and Mrs. George W. Seymour, Miss Dora and Dorothy Mansfield, Miss Esther, Mildred Mary, Ella, Kathryn and Marjorie Seymour, Miss Vivian Hayner, Esie Harrison, Radleigh Crawford, Claude McNeely, Randolph Koehler and Marion Seymour.

DAZZLING IN ALL
IT'S GORGEOUSNESS

A novel stage setting outshining all that has been done before in brilliancy and detail, is presented in the gorgeous musical extravaganza "Listen to Me," coming to the Grand Theatre next Monday night, April 16th.

The scene is laid in the frozen North, while a raging snow storm lends atmosphere. It is the land of the midnight sun, where Eskimo villages dot the prairie like stretches of ice, the dog teams resting after their long journeys, great icebergs, and snow created peaks are bathed by the sombre radiance of the Aurora-borealis. A theatrical party novel in a midnight frolic, while a sleigh-bell chorus make merry. This is the most novel and bewildering scene presented in a long time with a big company of singers, dancers and entertainers, including Barbara Bronell, Bessie Delmore, Betty Dawn Martin, Russ Robertson, Chester M. Gates, Billy Murphy, Roy Cowan and the smartest, danciest chorus ever here.

WIFE DOING GOOD WORK

"I have been bad off with stomach and liver trouble and bloating for many years. No doctors or medicine helped me. On the advice of my druggist, I bought a bottle of Mayr's Wonderful Remedy and I don't want to miss a single dose. It has given me more benefit than all the medicine I have ever taken. I feel I am doing good to recommend it to others." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists.
